A COMPLETE ANTI-AGING SOLUTION FOR A BRIGHTER, FRESHER, MORE YOUTHFUL YOU

## SCIENCE & RESEARCH:

*AMP Technology = Real, Lasting Results*

The advanced anti-aging formulas utilize unique AMP technology that combines Antioxidants, Micronutrients and Peptides clinically proven to stimulate collagen growth and address major signs of aging.

### **Antioxidants:**

- Mangosteen: High in powerful antioxidants
- Chrysin: A naturally occurring isoflavone derived from plants such as passion flowers
- Grape seed oil: Rich source of essential fatty acids
- Avocado seed oil: Rich in vitamins, increases collagen
- Sunflower seed oil: Safeguards collagen and elastin

### **Micronutrients:**

- Vitamin B12: Protective and regenerative co-factor
- Vitamin E: Minimizes free-radical damage

### **Peptides:**

- Palmitoyl Tripeptide-1: A regenerative peptide that stimulates collagen production
- Palmitoyl Tetrapeptide-7: Cutting-edge peptide that targets skin's clarity & brightness

XANGO Aeris AMP Technology

## CLINICALLY PROVEN BENEFITS:

### 5-in-1 Action:

Nothing helps you look younger faster than firmer skin around the eyes. Instant Eye Gel utilizes regenerative vitamin B12 and natural minerals to lift and smooth away appearances of fine lines and wrinkles, under-eye bags and puffiness in minutes. You'll notice a difference immediately.

### Clinical Overview:

Innovative AMP technology offers a combination of antioxidants, micronutrient and peptides clinically proven to offer 5-in-1 action:

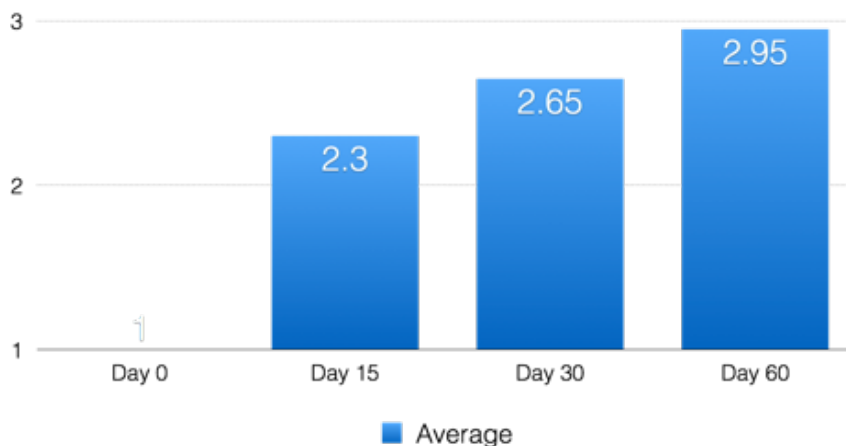

1. **Fine lines and wrinkles** (immediately)  
Visibly reduces the appearance of wrinkles

2. **Under-eye bags & deep wrinkles** (15 days)  
Helps firm and tighten aging skin  
In a study conducted, 70% of participants saw improvements by day 15, and 95% saw improvements in 2 months.

Variation in the puffiness

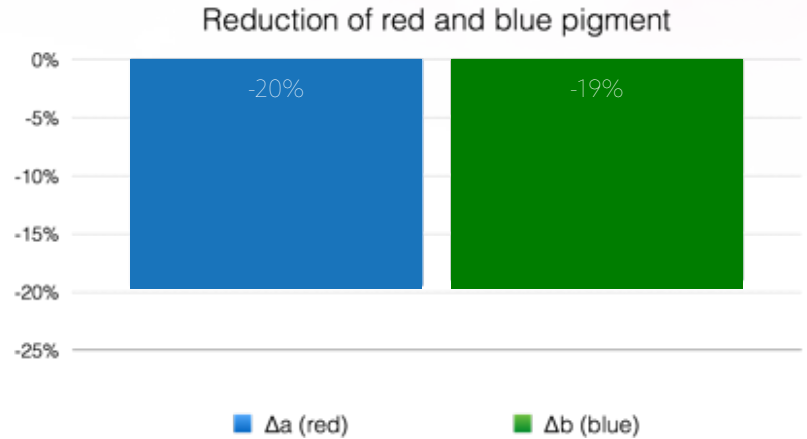

1. No reduction
2. Slight reduction
3. Fairly good reduction

3. **Dark circles & discoloration** (2 months)

**Stimulates circulation for brighter, more radiant skin**

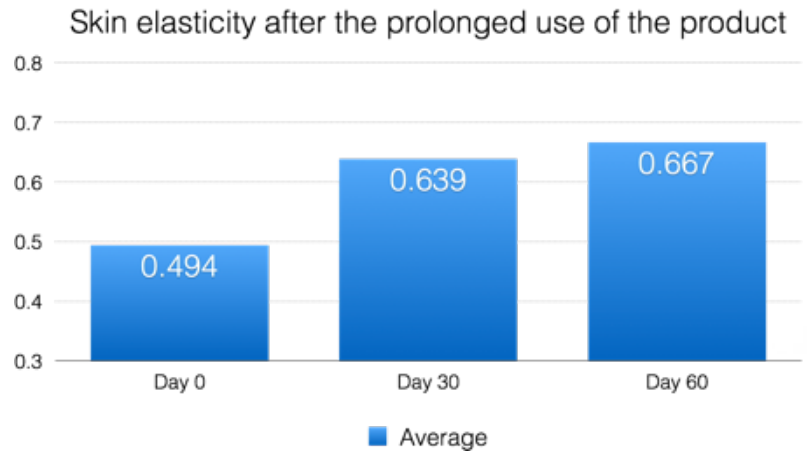

Proven to reduce dark circles in 2 months by up to 19%.

4. **Dull, uneven texture** (30 days)

**Supports elasticity for smoother, more youthful skin**

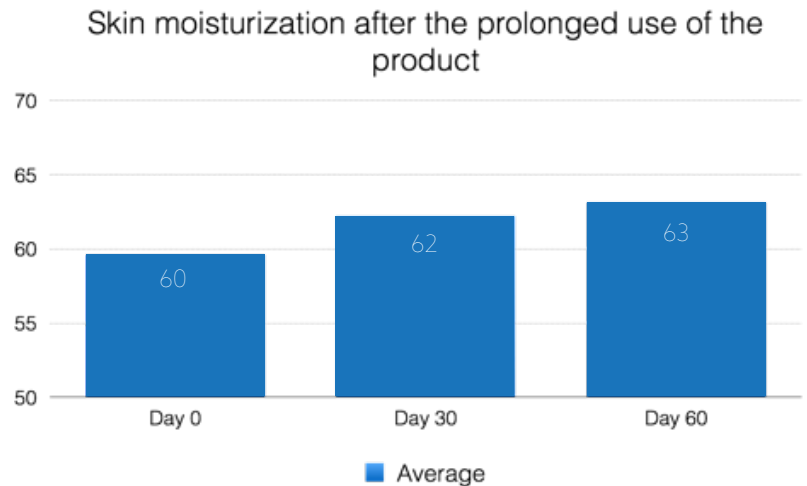

After 30 days, elasticity is increased by 34% for firmer, more even texture.

5. **Dryness** (2 months)

**Boosts hydration for softer, fresher appearance**

Skin moisturization (water content/less dryness) shows improvements after 30-60 days.

**Summary:**

Immediately – Skin appears firmer, more radiant and youthful

In 4-8 weeks – Experience improvements in all major signs of aging
